## PRE-OWNED OFFICE WORKSTATIONS!

- Gently used, Pre-owned Herman Miller AO2 office workstations are the most cost effective office furniture solution for the budget minded consumer.
- Previously installed and recently liquidated, these cubes are cleaned, touched-up and readied for re-deployment to your facility.
- Inventories change weekly and options abound!
- Many colors, sizes and configurations to choose.
- These used office furniture units work best for clients that are looking to save the most money while stepping up to an "A" grade product for the first time.

- Remanufactured Herman Miller AO2 cubicles are refurbished & restored to have the look and feel of "Brand New" office furniture.
- All fabrics and finishes are selected by you. Hundreds of color combinations to choose from. You have total flexibility regarding size, height and configuration with this option.
- Have it your way for a fraction of the cost of new. If you can dream it, we can build it!

## REFURBISHED OFFICE WORKSTATIONS!

## NEW OFFICE WORKSTATIONS!

- Multiple manufacturers to choose from
- New, spacious stations perfect for any office.
- Gives offices a uniform look while providing adequate space for daily work.
- Available in many sizes, colors, panel heights, and configurations.
- Add pedestals, shelving, or multiple other options to pick from to help with storage
